

# HOUSE OF WORSHIP SAFETY PROGRAM

In today's world, every organization needs to ask: *Are we prepared if an emergency happens here?*

We help houses of worship and schools take proactive steps to keep people safe and protected.

## Training Solutions Include:

- ✔ **Customized Safety Plan**  
Clear, practical strategies designed for your environment.
- ✔ **Volunteer Security Team Development & Training**  
Empower your people to respond effectively.
- ✔ **Risk Assessment**  
Identify vulnerabilities before they turn into real threats.
- ✔ **Emergency Response Planning**  
Ensure everyone knows what to do when seconds matter.

Having a plan in place for an active threat gives peace of mind and can save lives.
